Description:

This course is designed for students at a lower reading level or students who are At-Risk, or in danger of not graduating high school. Launch British Literature is designed to meet the needs of online students who have had difficulties with traditional classroom or other correspondence classes that do not meet a student's needs and need to earn an English credit.

British Literature is a comprehensive course that covers genres and writing styles through writings about: The Anglo-Saxon Period and Middle Ages: 449-1485, The English Renaissance: 1485-1660, The Restoration and the 18th Century: 1660-1798, The Romantic Period: 1798-1832, The Victorian Age: 1832-1901, Contemporary British Literature: 1901-Present, and Writings from the British Dominions.

Course Organization: The course is divided into seven chapters. Each chapter is broken down into lessons based on learning outcomes. For each lesson, you are required to read a section of the textbook, complete practice problems from the textbook, and then take an online quiz. At the end of each chapter is a test covering all the material from that chapter.

Materials Required:

- Computer or tablet with Internet access
- AGS British Literature Book

Academic Dishonesty: With most correspondence courses as well as AKGrad & YKSD, honesty of parents and students is essential. If an AK Grad teacher confirms that a student has plagiarized work or used AI, the student will receive a 0 and be subject to consequences determined by their school of record.

Grading: Quizzes are designed to be completed as many times as necessary to earn the grade that you would like to earn. If you are struggling on quizzes, you should contact your online teacher for additional support.

- **Quizzes:** Quizzes are computer scored and you can see your incorrect answers immediately so you can retake if necessary. It is also permissible to use notes, study materials, and books on the quizzes.

- **Tests:** You are not allowed to use notes, study materials, and books on the tests. The tests are meant to reflect how much you have learned while completing the lessons.

The following grading scale will be used for determining your final grade. After completing the course with a "D-" or better you will receive one Carnegie credit from the Yukon Koyukuk School District.
